Cool. My kids are still going to therapy despite my voice to pause.

Oh look. It's Monica's card. She's in my kids therapy and paying for it.

I wonder what these sessions say? Can I request? Should I request?

My children are still going to therapy despite my voice asking to pause services.

This is Monica's card. She's paying for my children's therapy. She's IN the therapy with them yet my fiancé, my children's chiropractor cannot be named under family history medical notes?!?
