25 **4. Parents' contact and employment information**

Each parent must fill out and file with the court a *Confidential Information* form (FL All Family 001) including personal identifying information, mailing address, home address, and employer contact information.

Important! If you move or get a new job any time while support is still owed, you must:

- Notify the Support Registry, and
- Fill out and file an updated *Confidential Information* form with the court.

6. Imputed Income

To calculate child support, the court may **impute** income to a parent:

- whose income is unknown, or

Imputed income is not actual income. It is an assigned amount the court finds a parent could or should be earning. (RCW 26.19.071(6))

7. Limits affecting the monthly child support amount

☒ Does not apply. The monthly amount was not affected by the upper or lower limits in RCW 26.19.065.

8. Standard Calculation

Parent Name	Standard calculation Worksheets line 17
Mathew	\$1,941.01 1944.56
Veronika	\$542.99 617.44

9. Deviation from standard calculation

Should the monthly child support amount be different from the standard calculation?

☒ **No** – The monthly child support amount ordered in section **10** is the **same** as the standard calculation listed in section **8** because (check one):

☐ No one asked for a deviation from the standard calculation. (Skip to **10**.)

☒ There is not a good reason to approve the deviation requested by (name/s):
Mathew Ralidak. The facts supporting this decision are (check all that apply):

☐ detailed in the *Worksheets*, Part VIII, lines 20 through 26.

☐ the parent asking for a deviation:

☐ has a new spouse or domestic partner with income of \$_____.

[] lives in a household where other adults have income of \$ _____
[] has income from overtime or a second job that was excluded in section 5 above.

[x] other (specify): Granting a deviation would create a hardship on the Mother. But the future of a residential time deviation may be addressed in future adjustments. The parties do not need to modify the order of support in order for a Commissioner to address that issue on the statutory time frame.

10. Monthly child support amount (transfer payment)

After considering the standard calculation in section 8, and whether or not to apply a deviation in section 9, the court orders the following monthly child support amount (transfer payment).

[x] Mathew must pay child support to Veronika each month as follows for the children listed below (add lines for additional children if needed):

Child's Name	Age	Amount
1. Elora		\$647.00 648.18
2. Aidan		\$647.00 648.18
3. Raina		\$647.00 648.18
Total monthly child support amount:		\$1,941.00 1944.56

11. Starting date and payment schedule

The monthly child support amount must be paid starting (month, year): **February 2022** on the following payment schedule in two payments each month; the first half on the 1st day of the month and the second half on the 15th day of the month.

12. Step Increase (for modifications or adjustments only)

Does not apply.

13. Periodic Adjustment

Child support may be changed according to state law. The Court is not ordering a specific periodic adjustment schedule below.

14. Payment Method (check either Registry or Direct Pay)

Registry – Send payment to the Washington State Support Registry. The Division of Child Support (DCS) will forward the payments to the person owed support and keep records of all payments.

Address for payment: Washington State Support Registry
PO Box 45868, Olympia, WA 98504

Phone number/s: 1 (800) 922-4306 or 1 (800) 442-5437

Important! If you are ordered to send your support payments to the Washington State Support Registry, and you pay some other person or organization, you will **not** get credit for your payment.

DCS Enforcement (if Registry is checked above):

DCS will **enforce** this order because (check all that apply):

☐ this is a public assistance case.

☒ one of the parties has already asked DCS for services.

☐ one of the parties has asked for DCS services by signing the application statement at the end of this order (above the *Warnings*).

☐ DCS will **not** enforce this order unless one of the parties applies for DCS services or the children go on public assistance.

☐ **Direct Pay** – Send payment to the other parent or non-parent custodian by:

☐ mail to: _____
street address or PO box city state zip

or any new address the person owed support provides to the parent who owes support. (This does not have to be a home address.)

☐ other method: _____

15. Enforcement through income withholding (garnishment)

DCS or the person owed support can collect the support owed from the income, earnings, assets, or benefits of the parent who owes support, and can enforce liens against real or personal property as allowed by any state's child support laws without notice to the parent who owes the support.

If this order is **not** being enforced by DCS and the person owed support wants to have support paid directly from the employer, the person owed support must ask the court to sign a separate wage assignment withholding order requiring the employer to withhold income and make payments. (Chapter 26.18 RCW.)

Income withholding may be delayed until a payment becomes past due if the court finds good reason to delay.

☒ Does not apply. There is no good reason to delay income withholding.

☐ Income withholding will be **delayed** until a payment becomes past due because (check one):

☐ the child support payments are enforced by DCS and there are good reasons in the children's best interest **not** to withhold income at this time. If this is a case about changing child support, previously ordered child support has been paid on time.

List the good reasons here: _____

- ☐ the child support payments are **not** enforced by DCS and there are good reasons **not** to withhold income at this time.

List the good reasons here: _____

- ☐ the court has approved the parents' written agreement for a different payment arrangement.

16. Temporary reduction if incarcerated (abatement)

Important! Read Support Abatement Warnings at the end of this order.

If the person who owes support is incarcerated:

- The total monthly child support amount may be temporarily reduced to \$10 while the person who owes support is in jail, prison, or a correctional facility for at least six months (or serving a sentence of more than six months), and has no income or assets available to pay the support.
- If reduced, the support amount will be \$10 a month.
- Beginning the fourth month after the person who owes support is released, support will be 50% of the original amount, or \$50 per child, whichever is more.
- One year after release, support will return to the original amount in section 10.
- Reinstatement of the support amount at 50% does not automatically apply, if a *Petition to Modify Child Support Order* is filed during the period of abatement.

- ☐ The person who owes support qualifies for abatement. Monthly child support is temporarily reduced (abated) to \$10 and will be reinstated as described above.

17. End date for support

Support must be paid for each child until the court signs a different order or (*check one*):

- ☒ the child turns 18 or is no longer enrolled in high school, whichever happens last, unless the court makes a different order in section **18**.
- ☐ the child turns 18 or is otherwise emancipated, unless the court makes a different order in section **18**.
- ☐ after (*child's name*): _____ turns 18. Based on information available to the court, it is expected that this child will be unable to support them self and will remain dependent past the age of 18. Support must be paid until (*check one*):
- ☐ this child is able to support them self and is no longer dependent on the parents.
- ☐ other: _____

1 [] other (specify): _____

2 **18. Post-secondary educational support (for college or vocational school)**

3 [x] **Reserved** – A parent or non-parent custodian may ask the court for post-
4 secondary educational support at a later date without showing a substantial
5 change of circumstances by filing a *Petition to Modify Child Support Order* (form FL
6 Modify 501). The *Petition* must be filed *before* child support ends as listed in
7 section **17**. There is an expectation that the child will also contribute towards post-
8 secondary support.

9 [] **Granted** – The parents must pay for the children's post-secondary educational
10 support. Post-secondary educational support may include support for the period
11 after high school and before college or vocational school begins. The amount or
12 percentage each person must pay (check one):

13 [] will be decided later. The parties may make a written agreement or ask the
14 court to set the amount or percentage by filing a *Petition to Modify Child*
15 *Support Order* (form FL Modify 501).

16 [] is as follows (specify): _____

17 [] **Denied** – The request for post-secondary educational support is denied.

18 [] Other (specify): _____

19 **19. Tax Issues**

20 **Important!** Although the personal tax exemptions are currently suspended under federal law through
21 tax year 2025, other tax benefits may flow from claiming a child as dependent.

22 [x] The parties will follow the law and IRS rules about claiming children on tax
23 forms.

24 [] The parties have the right to claim the children as their dependents for
25 purposes of personal tax exemptions and associated tax credits on their tax
forms as follows ((check one):

[] Every year – ((name):
has the right to claim ((children's names):

_____;
and ((name): _____

has the right to claim ((children's names):

_____.

[] Alternating – ((name): _____
has the right to claim the children for ((check one): [] even [] odd years

and ((name): _____ has the right to claim the children for the opposite years.

- [x] Other ((specify): Each year each parent shall claim one child per year. For filing purposes each party may claim one child (Raina or Aidan). In odd tax years Veronika shall claim Elora. In even tax years Mathew shall claim Elora. When Elora reaches 18 each party shall claim one child each. When Aidan reaches 18 in even years Veronika shall claim Raina and in odd years Mathew shall claim Raina. Mathew shall only claim the children if he is current in his support obligations. *a delay in forwarding funds from DCS is not a delinquency.*

For tax years when a non-custodial parent has the right to claim the children, the parents must cooperate to fill out and submit IRS Form 8332 in a timely manner.

20. Medical Support

Important! Read the Medical Support Warnings at the end of this order. Medical Support includes health insurance (both public and private) and cash payments towards premiums and uninsured medical expenses.

- [] The court is not ordering how health care coverage must be provided for the children because the court does not have enough information to determine the availability of accessible health care coverage for the children (coverage that could be used for the children's primary care). The law requires every parent to provide or pay for medical support. DCS or any parent can enforce this requirement. (Skip to **21**.)

- [x] **Private health insurance ordered.** (Name): Mathew must pay the premium to provide health insurance coverage for the children. The court has considered the needs of the children, the cost and extent of coverage, and the accessibility of coverage.

- [] The other parent must pay their proportional share* of the premium paid.
Health insurance premiums (check one):

[x] are included on the *Worksheets* (line 14). No separate payment is needed.

[] are **not** included on the *Worksheets*. Separate payment is needed. A parent or non-parent custodian may ask DCS or the court to enforce payment for the proportional share.

* Proportional share is each parent's percentage share of the combined net income from line 6 of the *Child Support Schedule Worksheets*.

- [x] The other parent is **not** ordered to pay for any part of the children's insurance because (explain): *Mathew has access to private insurance; Veronika does not, nor does she have the resources to contribute to the children's medical issues.*

A parent cannot be excused from providing health insurance coverage through an employer or union solely because the child receives public health care coverage.

[] A parent has been ordered to pay an amount that is more than 25% of his/her basic support obligation (*Worksheets*, line 19). The court finds this is in the children's best interest because: _____

A parent cannot be ordered to pay an amount towards health care coverage premiums that is more than 25% of his/her basic support obligation (Worksheets, line 19) unless the court finds it is in the best interest of the children.

[] **Public health care coverage.** (*Name*): has enrolled the child in public health care coverage, and does not have available at no cost accessible health insurance coverage through an employer or union.

[] The other parent must enroll the child in accessible health insurance coverage through their employer or union up to 25% of their basic support obligation.

[] The other parent must pay their proportional share* of the premium for public health care coverage for the child. Public health care premiums (*check one*):

[] are included on the *Worksheets* (line 14). No separate payment is needed.

[] are **not** included on the *Worksheets*. Separate payment is needed. A parent or non-parent custodian may ask DCS or the court to enforce payment for the proportional share.

* *Proportional share is each parent's percentage share of the combined net income from line 6 of the Child Support Schedule Worksheets.*

[] The other parent is **not** ordered to pay for any part of the children's health care coverage because (*explain*): _____

A parent cannot be excused from providing health insurance coverage through an employer or union solely because the child receives public health care coverage.

[] A parent has been ordered to pay an amount that is more than 25% of their basic support obligation (*Worksheets*, line 19). The court finds this is in the children's best interest because: _____

[] Other (*specify*): _____

21. Health care coverage if circumstances change or court has not ordered

If the parties' circumstances change, or if the court is not ordering how health care coverage must be provided for the children in section **20**:

- A parent, non-parent custodian, or DCS can enforce the medical support requirement.
- If a parent does not provide proof of accessible health care coverage (coverage that can be used for the children's primary care), that parent must:

- Get (or keep) insurance through their work or union, unless the insurance costs more than 25% of their basic support obligation (line 19 of the *Worksheets*),
- Pay their share of the other parent's monthly premium up to 25% of his/her basic support obligation (line 19 of the *Worksheets*), or
- Pay their share of the monthly cost of any public health care coverage, such as Apple Health or Medicaid, which is assigned to the state.

22. Children's expenses not included in the monthly child support amount

Warnings!

If you don't follow this child support order...

- DOL or other licensing agencies may deny, suspend, or refuse to renew your licenses, including your driver's license and business or professional licenses, and
- Dept. of Fish and Wildlife may suspend or refuse to issue your fishing and hunting licenses and you may not be able to get permits. (RCW 74.20A.320)

If you receive child support...

You may have to:

- Document how that support and any cash received for the children's health care was spent.
- Repay the other parent for any day care or special expenses included in the support if you didn't actually have those expenses. (RCW 26.19.080)

Support Abatement Warnings!

The Division of Child Support (DCS), the person required to pay support, the payee under this order, or the person entitled to receive support **may ask the court or DCS to temporarily reduce** child support to \$10 per month when the person required to pay support is in jail, prison, or a correctional facility for at least six months, or serving a sentence of more than six months.

There is a rebuttable presumption that an incarcerated person cannot pay child support. DCS, the payee under this order, or the person receiving the support may overcome the presumption by showing that the person required to pay support has income or other assets available to pay support.

When a request for abatement is made, DCS will review its records and other available information, and decide if abatement is appropriate. DCS will send notice of the decision to the person required to pay support, and to the payee under this order or the person entitled to receive support. Any of those persons may object to DCS's decision.

If at any point during the period of incarceration, a person or DCS later learns of income or other assets available to pay support, a request to terminate or reverse the abatement may be made through DCS or the Office of Administrative Hearings.

Medical Support Warnings!

The parents must keep the Support Registry informed about whether they have access to health care coverage for the children at a reasonable cost and to provide the policy information for any such coverage.
