**Motion for Renewal of Protection Order (MTDRPO)**

## [ ] Unlawful Harassment

1. The *Protection Order* granted on (date) 4/25/25, will expire on (date) 7/11/25
2. I want to renew the protection order and any weapons surrender order because:

The DVPO protection order granted in this case on 4/25/25. It was issued for 2.5 months with instructions that I was to file for a modification order in our parenting and support case for the family law court to consider the evidence of physical, emotional, and psychological abuse that caused serious concern for the children's safety. The court determined the family law court was the best place to determine final matters to protect the children. See attached Order.

I filed my summons and petition to modify the parenting plan. The court set the trial date for 4/6/2026.

I scheduled a temporary family law hearing for 7/10/25 which includes requests for the same protections in this case, to be awarded in the family law case to ensure protections for the children and myself until trial.. The hearing is set for one day before this DVPO expires.

I am asking for an extension of the DVPO order in case the family law hearing on 7/10/25 does not move forward for some reason, the children will still be protected until the family law court can make a ruling.

3. I want the renewed order to stay in place [X] for (number) 30 days.
4. I request the Restrained Person pay the fees and costs of this action.

I certify under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.

**If Yes to 11 or 12, explain why:** What serious immediate harm or irreparable injury could occur if an order is not issued immediately without prior notice to the restrained person?

*(Briefly explain how you or anyone else might be harmed if you do not get protection now.)*

There were two serious incidents last week that prompted this request. Physical violence against our youngest daughter (slapped across the face, shoved against the wall, and spanked) by the Respondent on 4/3 and stalking and threats of violence toward me on 4/4 at our children's school.

My children have experienced major anxieties, fears, and numerous panic attacks over the fact that they are severely punished by their mother/respondent if she hears or finds out any of them speak up about her what happens while they are there. They are in fear of retaliation by the Respondent and returning to her (mom's) home considering what they revealed last week. They are sick with worry. I'm asking the court to implement a protection order against Veronika Goodnight for the physical and mental wellbeing of my children.

See also Sections 17-20 and **King County Sheriff's case #C25010391** who responded to the 911 call on 4/4.

You should file healthcare records, financial documents, and confidential reports under seal. Use form All Civil 040 Sealed Cover. If you want to seal explicit or intimate images, you must file a separate motion asking the court to seal these images. Use form PO 005, *Motion to Redact or Seal*.

- 17. Most Recent Incident.** What happened most recently that made you want a protection order? This could include violent acts, fear or threats of violence, coercive control, nonconsensual sexual conduct or penetration, sexual abuse, harassment, stalking, hate crimes. For a vulnerable adult, include incidents or threats of abandonment, abuse, neglect and/or financial exploitation. Include specific date/s and details of the incident.

On Friday April 4, 2025, I was waiting in the school's pick up line to start my residential time with the children. While I was waiting, the Respondent approached my vehicle around 1:57pm, and told me to roll my window down. She then proceeded to harass me and accuse me of calling CPS on her, which I did not. Her fiancé, Colin Derieg stood behind her glaring at me. The Respondent continued to accuse me in front of the school and other parents, blasting me for over 5 minutes with false accusations and inappropriate behavior. Unknown to me at the time, CPS was called by a teacher at the children's school earlier that day after our youngest daughter told her teacher that her mom, the Respondent, slapped her across the face, shoved her against the wall, and then spanked her the night before when they were at Colin's house because she told her mom wanted to live with her dad (Petitioner). These events were confirmed on Monday April 7, 2025 by CPS when they were called again by another source. The Respondent is also attempting to move the children to an RV with no power or water, which CPS became aware of and is investigating. I told her that some concerns were brought to my attention about her move and that if she intends to move the children again, she needs to follow the process that the parenting plan lays out. The Respondent then stormed off towards the school's office while Colin Derieg stood next to my vehicle for roughly another 5 minutes (between 2:02pm-2:07pm) glaring at me and making me very uncomfortable (I have pictures and video recording of this for my safety). Just after 2:07pm Veronika came out and she and Colin walked around the back of my vehicle. Colin began walking towards my driver side door with his right hand at his hip, he turns toward me, makes eye contact then makes a gun gesture with his fingers at me on the school grounds. See Ex. A. The Respondent and Colin reportedly own guns. I feel my life was threatened. I'm asking the court to implement a protection order against the Respondent so that the verbal abuse, intimidation, and social media slander stop for the protection of my family. See Ex. B. My children are experiencing major anxieties, fears, and numerous panic attacks over the fact that they are severely punished by their mother if she hears or finds out any of them speak up about her negligence. I'm asking the court to implement a protection order against Veronika Goodnight for the physical and mental wellbeing of my children.

- 18. Past Incidents.** What happened in the past that makes you want a protection order? This could include violent acts, fear or threats of violence, coercive control, nonconsensual sexual conduct or penetration, sexual abuse, harassment, stalking, or hate crimes. For a vulnerable adult, include incidents or threats of abandonment, abuse, neglect and/or financial exploitation. Include specific date/s and details of the incidents.

**False Allegations:** From February 20th 2025 through March 3rd 2025 Veronika Goodnight harassed me and attempted to extort me for over \$29,000 which she claimed I owed her. In November of 2024 I finished payments of a garnishment from our CIR hearing in 2021 where Veronika was awarded a percentage of my pre-relationship home sale from 2020. On February 20th, the Respondent messaged me, accusing me of not paying the full amount and threatened me with legal action. I provided her with the math that showed I overpaid her. I asked her to show proof of any balance, and she could not provide this. She continued to harass me for days without providing any actual evidence of any type of balance. On February 25th 2025 I received certified mail that contained improper documentation that the Respondent attempted to file with the court to start a new garnishment on my wages. The documents were not in the proper format and she did not use the court templates but she was attempting to ask the court to take additional money from me. See Ex. C.

**Threats:** On January 11th 2025 while I was attending my son's hockey practice the Respondent threatened me that "There will be no peace" if I were to vaccinate our children per my rights in the parenting plan signed in June of 2024.

**Harassment:** On October 2nd 2024 my pastor received an email from a Jennifer Singh with extremely sensitive information about my oldest daughter only the Respondent/mother would know. I believe the Respondent encouraged people to harass me and my church community. Other members of my church received hateful messages about me from the Respondent. There was an incident with my oldest daughter that has since been proven false by her therapist, but the Respondent continues to share my children's sensitive information all over social media and in the community.

In addition to the items above, as recent as April 4th and 5th the Respondent has encourages her followers on social media to harass my children's principle, teachers, and superintendent.

---

**19. Medical Treatment.** Describe any medical treatment you received for issues related to your request for protection.

All three of my children are in therapy.

I am also in therapy.

I ask that Veronika Goodnight do not interfere with my children's therapy.

---

**20. Suicidal Behavior.** Describe any threats of self-harm or suicide attempts by the restrained person.

Veronika Goodnight in the past has cut her arms. While we were together she drank and drove with the children. She also told me on more that one occasion that she "considered turning into oncoming traffic" with the children in the car with her. I have raised these concerns in both of our previous parenting plan hearings. The children tell me that their mother scratches and hits herself when "mommy is out of control".

---

**21. Restrained Person's Substance Abuse**

Is substance abuse involved? ☐ Yes ☐ No ☒ Unknown

If yes, what type of substance abuse? ☐ Alcohol ☐ Drugs ☐ Other

**22. Minors Needing Protection, if any** *(If the information is not already included above.)*

Has there been any violence or threats towards children? How have the children been affected by the restrained person's behavior? Were the children present during any of the incidents described above? Describe and give details.

All of my children tell me that they experience verbal abuse, name calling, and bullying by the Respondent, Colin Derieg, and his kids. My children have also revealed that my son and youngest daughter receive corporal punishment from their mother. My youngest daughter spoke up to her mother about wanting to live at my house and was physically abused for it.

## Attachment C: Child Custody

**Only complete** this attachment if you are asking to protect any of the restrained person's children. **If not**, skip or remove this attachment.

**Does a Washington Court have authority over the children?** Before the court can protect a child, you must tell the court about the children's connection to Washington State. See instructions for help.

### 1. Children's Home/s

At any time during the past 5 years, have the children lived:

- on an Indian reservation,
- outside Washington state,
- in a foreign country, or
- with anyone who is not a party to this case?

☒ No. (Skip to 2)

### 2. Other people with a legal right to spend time with the children

Do you know of anyone besides yourself and Respondent who has or claims to have a legal right to spend time with the children?

☒ No.

☐ Yes. (Name/s) \_\_\_\_\_ has or claims to have a legal right to spend time with the children because:

---

### 3. Authority over the children (Jurisdiction) (RCW 26.27.201 – .221, .231, .261, .271)

The court can make an order protecting the children because:

☒ **Exclusive, continuing jurisdiction** – A Washington court has already made a custody order or parenting plan for the children, and the court still has authority to make other orders for the children.

☐ **Home state jurisdiction** – Washington is the child's home state because (check all that apply):

☐ The children lived in Washington with a parent or someone acting as a parent for at least the 6 months just before this case was filed, or if a child is less than 6 months old, the child has lived in Washington with a parent or someone acting as a parent since birth.

☐ There were times the children were not in Washington in the 6 months just before this case was filed (or since birth if a child is less than 6 months old), but those were temporary absences.

☐ The children do not live in Washington right now, but Washington was the children's home state sometime in the 6 months just before this case was filed,

and a parent or someone acting as a parent of the children still lives in Washington.

☐ The children do not have another home state.

☐ **No home state or home state declined** – No court of any other state (or tribe) has the jurisdiction to make decisions for the children **or** a court in the children's home state (or tribe) decided it is better to have this case in Washington **and**:

- The children and a parent or someone acting as a parent have ties to Washington beyond just living here; **and**
- There is a lot of information (substantial evidence) about the children's care, protection, education, and relationships in this state.

☐ **Other state declined** – The courts in other states (or tribes) that might be the children's home state have refused to take this case because it is better to have this case in Washington.

☐ **Temporary emergency jurisdiction** – The court can make decisions for the children because the children are in this state now **and** were abandoned here **or** need emergency protection because the children (or their parent, brother, or sister) were abused or threatened with abuse. (Check one):

☐ A custody case involving the children was filed in the children's home state (name of state or tribe): \_\_\_\_\_. Washington should take temporary emergency jurisdiction over the children until the Petitioner can get a court order from the children's home state (or tribe).

☐ There is **no** valid custody order or open custody case in the children's home state (name of state or tribe): \_\_\_\_\_. If no case is filed in the children's home state (or tribe) by the time the children have been in Washington for 6 months, (date):\_, Washington should have final jurisdiction over the children.

☐ Other reason (specify):  
\_\_\_\_\_

EXHIBIT A

## EXHIBIT B

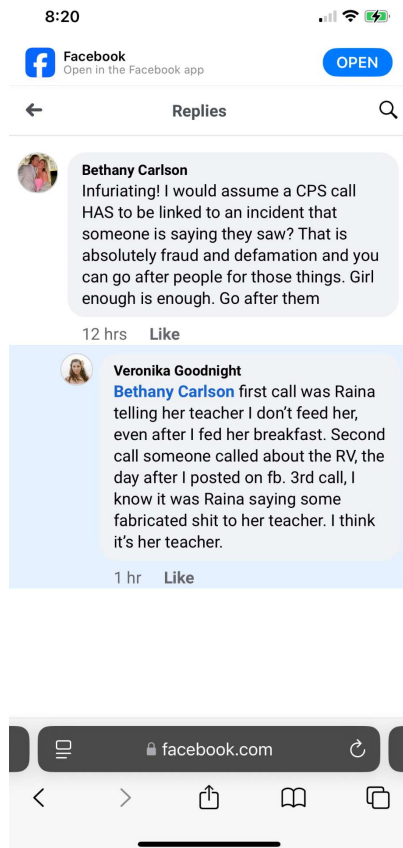

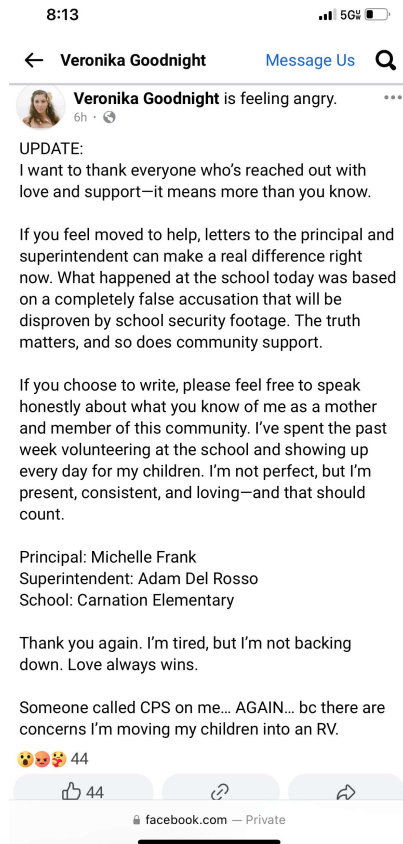

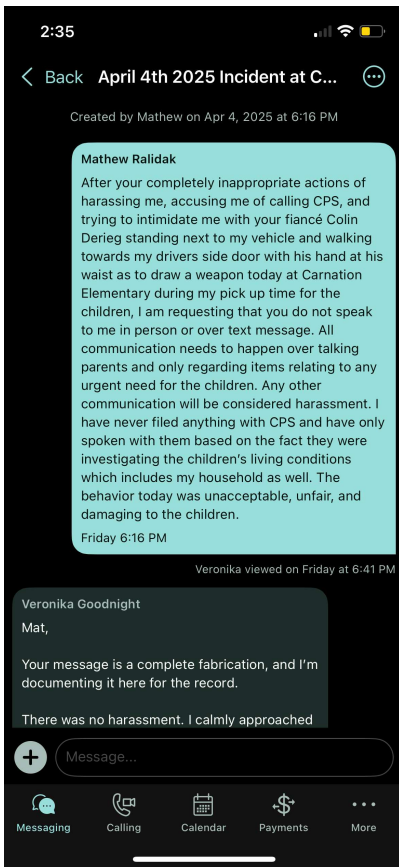

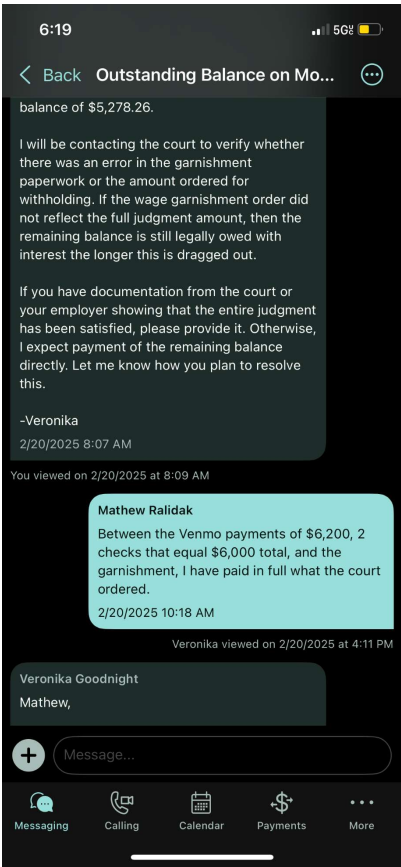

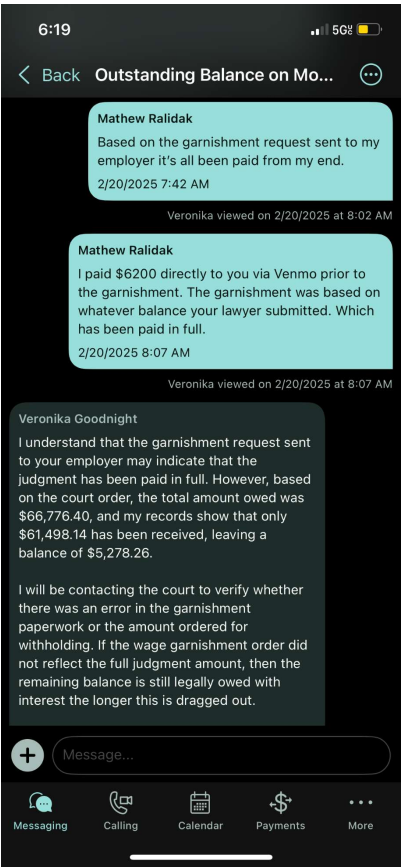

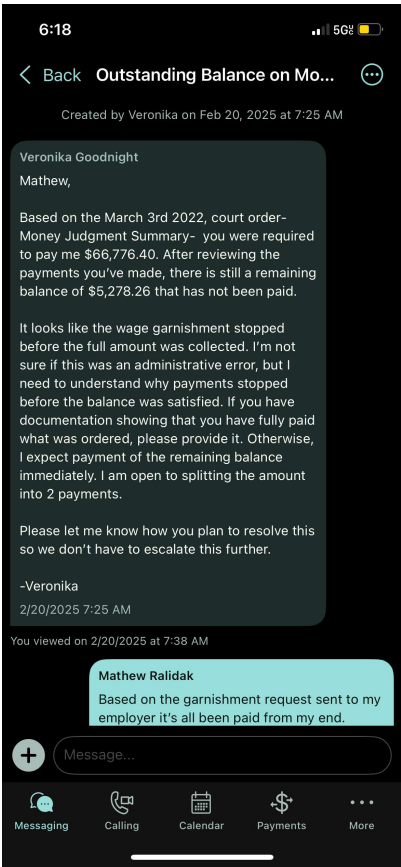

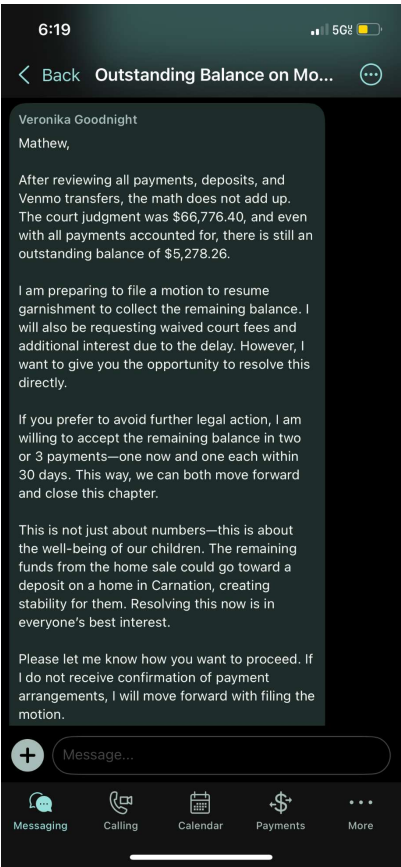

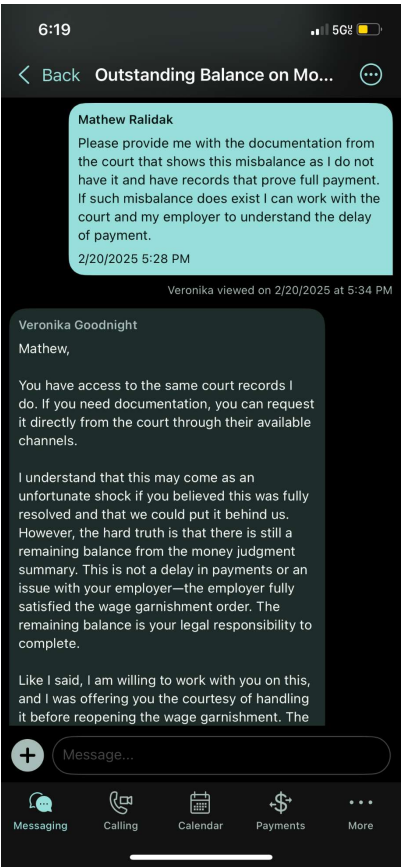

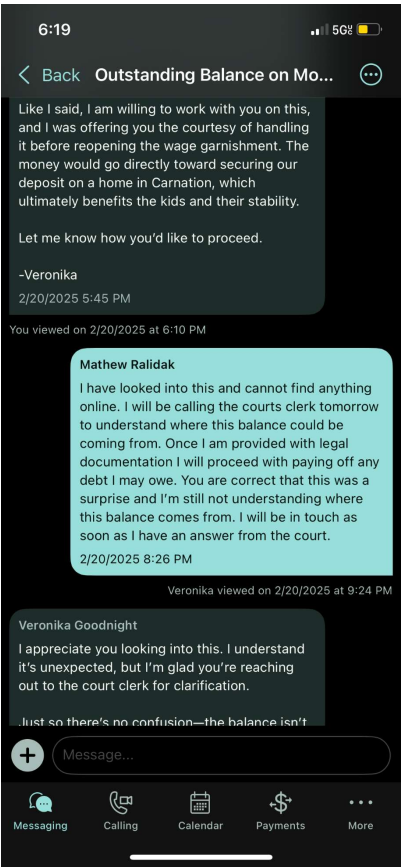

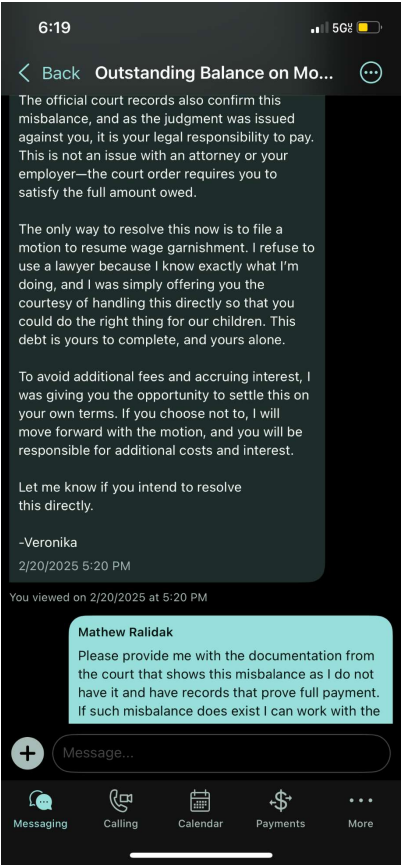

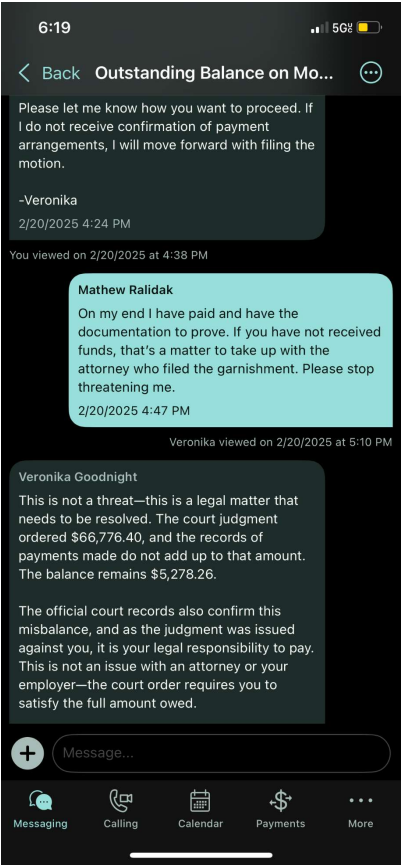

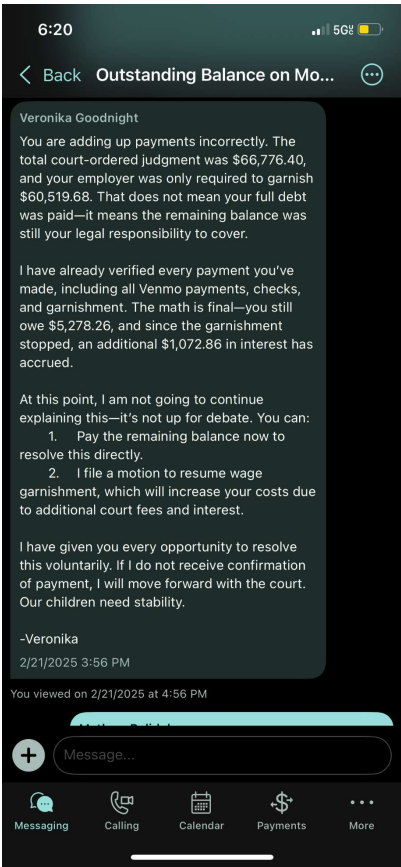

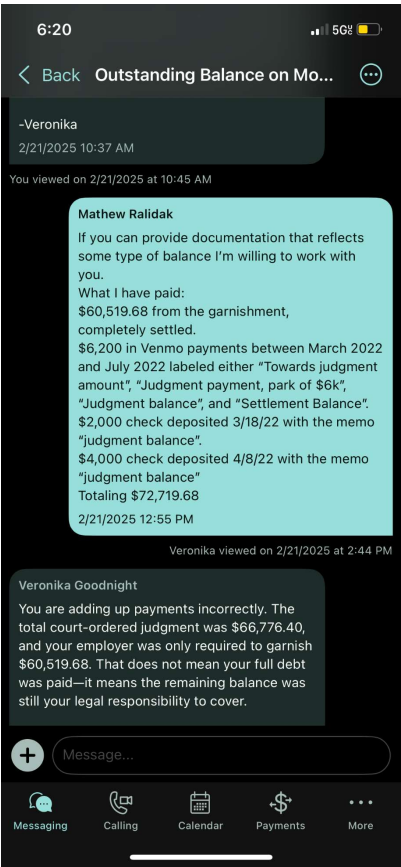

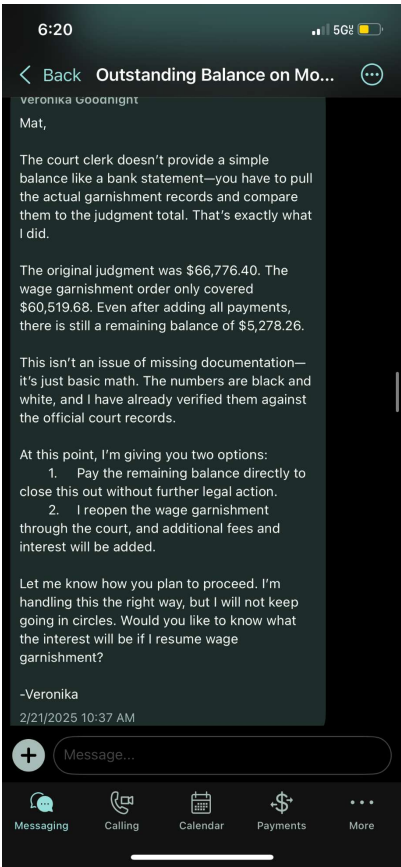

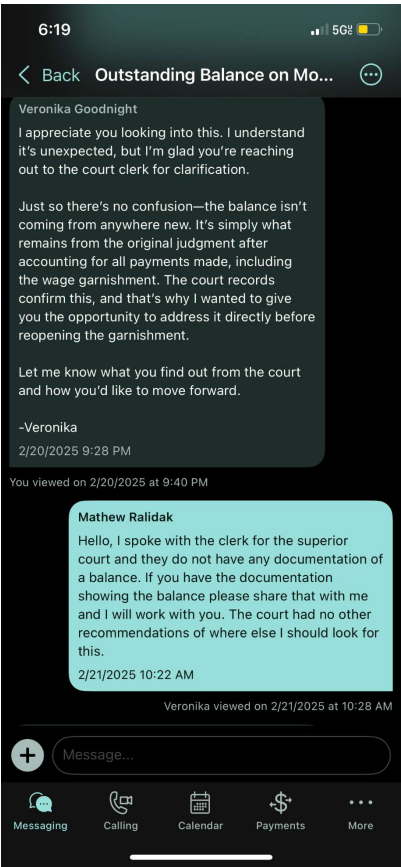

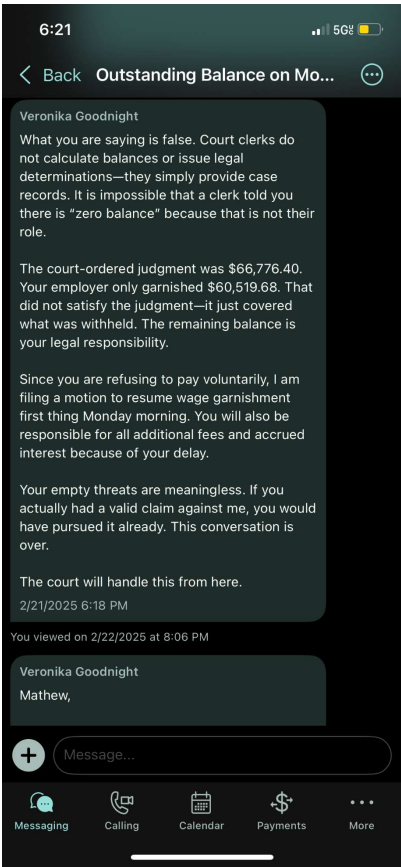

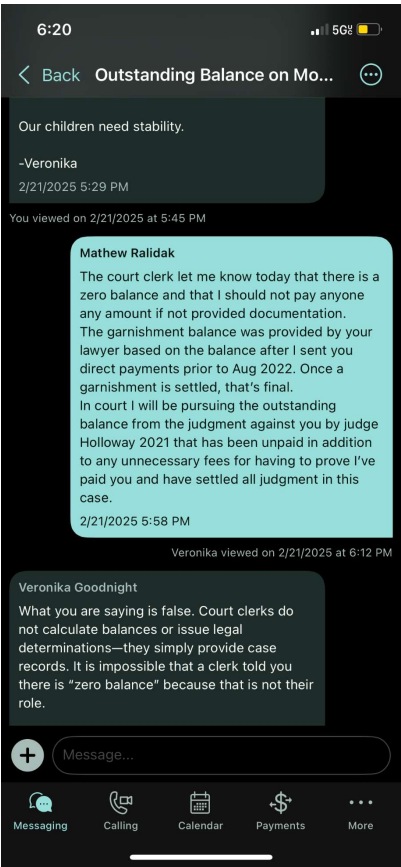

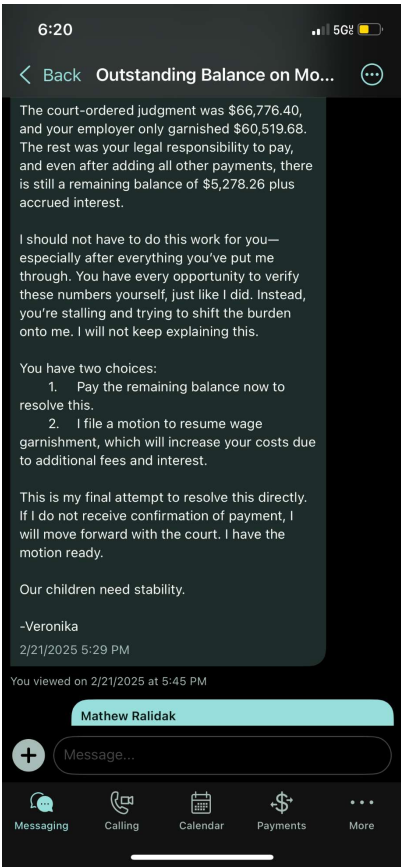

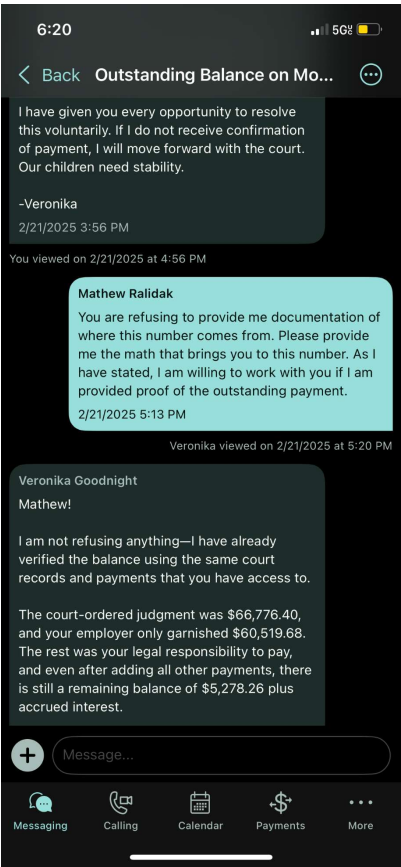

EXHIBIT C

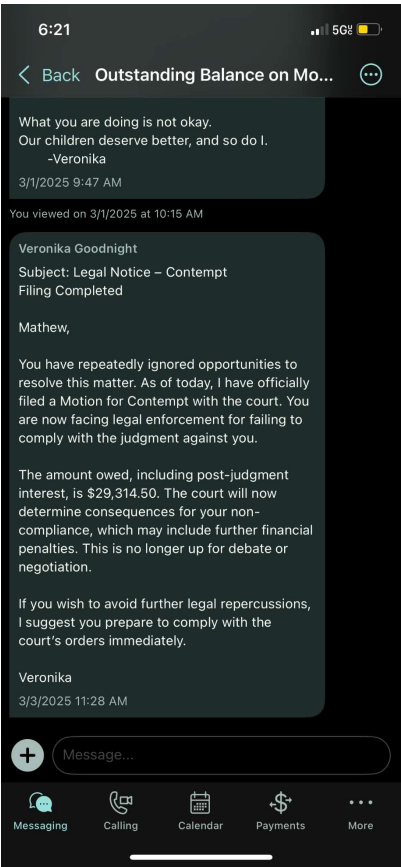

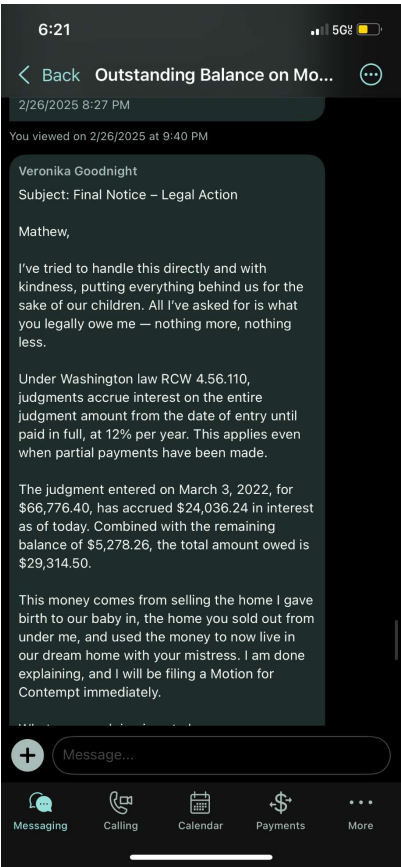

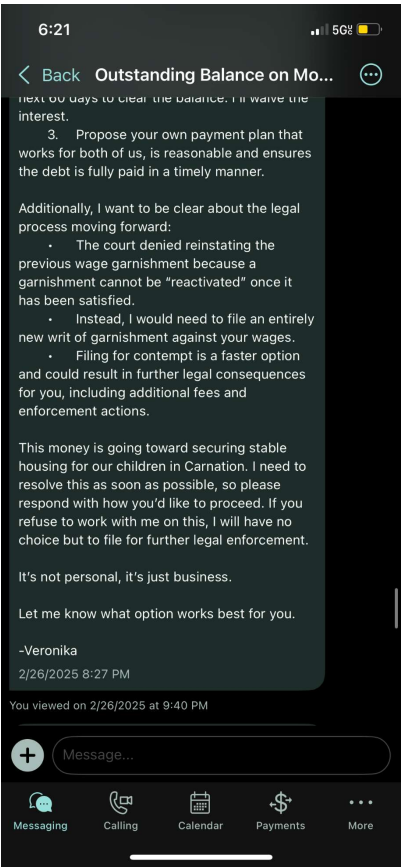

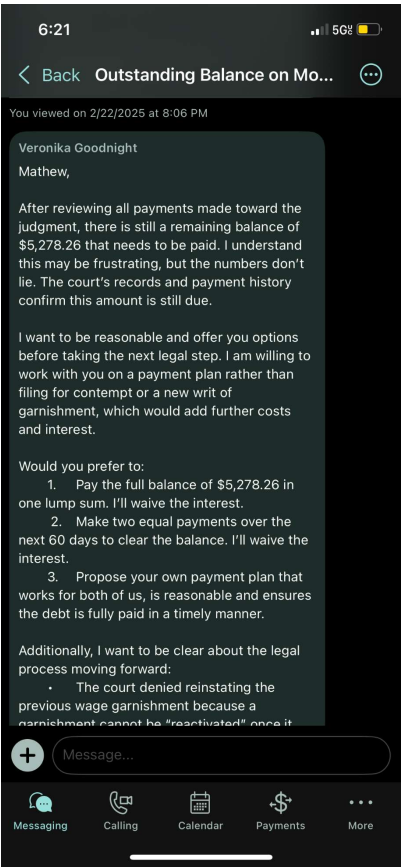

# I was served with a civil protection order. What happens next?

## Prepare for court

Find the date and time of the **hearing** listed in the temporary order.

If you do not show up at the hearing, the judge may issue a full protection order.

## What is a civil protection order?

It is a **court order** someone asked for that is meant to protect that person from you. It is not part of a criminal case. No prosecutor is involved.

A **protected person** gets a protection order against a **restrained person** (you).

## Read the order carefully

It will say what you can and cannot do. If you do not obey the order, you can be arrested and charged with a crime. This is true even if the protected person says it is okay.

## Respond in writing

You can write a response explaining your side on form PO 018, *Declaration*. You can attach documents or other evidence that help prove what you are saying is true. Witnesses can also use this form to explain what they saw or heard.

File your declaration/s with the court clerk. Have someone else send or give a copy to the protected person before the hearing. You cannot serve them yourself.

File and serve your declaration/s as soon as possible. If the protected person does not get their copies in advance, they may ask the judge to reschedule the hearing.

Also fill out and file PO 003R, *Law Enforcement and Confidential Information-Restrained Person*. You do not have to give this form to the protected person.

Get forms at [courts.wa.gov/forms/](https://courts.wa.gov/forms/).

## Go to the court hearing

If you were served less than 5 court days before the hearing, or you need more time to prepare, you can ask the judge to reschedule.

If the case is ready, the judge will review the record, let you and the other person speak, hear from other witnesses if necessary, and then decide whether to issue a full protection order.

If you do not attend the hearing, the judge may issue a full protection order against you. The full order could last for a year or more. If the full order has the same restraints as the temporary order and you are accused of violating it, you can be criminally charged, even if you are not served with the full protection order. It can be used against you, even if you are not served with it.

## What if I want to change the protection order later?

If a full protection order is issued, you can use PO 063, *Motion to Modify or Terminate Protection Order*, to request a change or termination later. You can only file this motion once in a 12-month period.
