10 Petitioner,

11 MATHEW RALIDAK

12 And Respondent,

13 VERONIKA GOODNIGHT

No. 25-2-11308-6 SEA

RESPONDENT'S DECLARATION IN
SUPPORT OF RESPONDENT'S
MOTION TO TERMINATE
TEMPORARY DOMESTIC VIOLENCE
RESTRAINING ORDER

14
15 I, **VERONIKA GOODNIGHT**, am the Respondent in the above-referenced matter. I
16 submit this declaration in support of my Motion to Terminate the Domestic Violence
17 Restraining Order ("DVPO") currently restraining me. I have personal knowledge of the facts
18 stated herein, and I declare under penalty of perjury under the laws of the State of
19 Washington that the following attached declaration is true and correct.

20 Signed on this 30th day of June 2025 at Bellevue, Washington.

21
22 *Veronika Goodnight*

23 **VERONIKA GOODNIGHT**, Petitioner
24

1 **A: BRIEF BACKGROUND:**

2 I am Veronika Goodnight, the Respondent herein, and the Petitioner, Mathew Ralidak, is
3 the father of my children. We began dating in 2014 and separated in 2020. We have three
4 young children: Elora, age 10, Aidan, age 8, and Raina, age 7.

5 To date, I have been restrained from my children for more than 80 days and counting
6 due to the temporary DVPO that is currently in place until July 11th. I have done nothing to
7 warrant this separation but to be a constant and present mother in my children's lives. My
8 primary goal is to restore my consistent, primary parenting time with my children, which has
9 been disrupted through a baseless DVPO and strategic use of therapy records and CPS
10 involvement. Petitioner continues to weaponize legal forms, ignore court orders, and shut down
11 any contact or coordination.

12 Since 2020, Petitioner has filed dozens of motions against me, using the legal system as
13 a weapon to punish me for leaving our relationship. Petitioner manipulates court filings, misuses
14 therapeutic records, and distorts reality to cast me as unstable and erase me from the lives of
15 our three children. These accusations are retaliatory and not grounded in fact. Petitioner has
16 grown to be manipulative, vindictive, and cruel. He is constantly undermining me as a parent,
17 going against our court-ordered parenting plans. He suddenly disagrees with certain ways that I
18 parent and bases his manipulation of the court system on our differences. It is important to note
19 that we have never disagreed before. This manipulation has not just been emotionally draining,
20 but psychologically traumatizing.

21 **B: REQUEST TO TERMINATE DVPO**

22 It has been over 80 days since I have seen my children. The DVPO in this matter was
23 denied. However, the temporary DVPO remains in place until July 11th. I respectfully ask the
24

1 court to terminate the DVPO immediately so I can reunite with my children again and begin
2 restoring the parent-child bond.

3 Petitioner's April 8th declaration is a continuation of a long-standing pattern of character
4 assassination and litigation abuse. He presents fabricated narratives about my parenting, omits
5 material facts and manipulates therapeutic and legal processes to exclude me from the lives of
6 our children. As previously established in court, Judge Rampersad's 2024 findings determined I
7 was "highly sensitive to the children's emotional needs," while the Petitioner was not. The judge
8 also ordered that the children not be separated from me for more than one week — a limit that
9 has now been exceeded for over 80 days, in direct violation of our parenting plan.

10 His use of the April 4th incident at the school to justify a DVPO is an example of his
11 manipulative tactics. I calmly approached Petitioner's car to ask whether he had concerns about
12 me and the children living temporarily in an RV on a farm, and whether he had contacted CPS.
13 When he said no, I walked away to give our son a hug. I did not yell or make any threats. Colin,
14 my fiancé, stood quietly nearby and made no threatening gestures. The initial police report
15 stated no threats were made. Officer Kellogg investigated and concluded that no crime
16 occurred. See the police report attached hereto as Exhibit A. The body camera footage confirms
17 that there were no threatening gestures or conduct by me or my fiancé. Furthermore, Petitioner
18 alleged that the Principal of my children's school made the statement, "this is not the first time
19 that Goodnight has caused a commotion or interrupted the children's learning process." This is
20 entirely untrue. I personally contacted Principal Frank inquiring about the statement and
21 Principal Frank denied ever making such a statement. See Exhibit B attached hereto. Lastly, a
22 fellow parent and Dr. Colin's Derieg, my fiancé, found it important to include a declaration
23 regarding the April 4th event. Ms. Wikstrom witnessed the event and made a statement
24 regarding what she saw stating that the Veronika and her fiancé, Colin Derieg were not violent

1 by any means and were supporting the children. See Exhibit C attached hereto. Petitioner's
2 version of the story is unsubstantiated and contradicted by clear evidence.

3 The April 25th DVPO explicitly permits daily phone and video calls. Petitioner has
4 willfully violated this. Since that order, I have been blocked from regular contact. Petitioner
5 insists that all communication occur through the TalkingParents app, despite knowing that it is
6 not capable of handling FaceTime calls and that calls drop at my residence in Monroe. Only one
7 40-minute call occurred—on Mother's Day (May 12). I have submitted screenshots documenting
8 unanswered FaceTime calls and TalkingParents attempts. I have made numerous attempts to
9 connect with the children via FaceTime — the method we have used for years — only to be
10 blocked or ignored and call the police to make reports.

11 The record shows it is now over 80 days without meaningful contact. The few brief calls I
12 did receive were tightly controlled and emotionally flat. My daughter Raina is visibly distressed
13 and emotionally dysregulated by our forced separation. Judge Rampersad's parenting plan
14 explicitly noted that the children should not be away from their mother for more than one week.
15 This separation violates that judicial concern and must be urgently addressed. Petitioner is
16 actively sabotaging the limited contact I am allowed under the current order.

17 Finally, I must address the larger pattern of litigation abuse. Petitioner has taken me to
18 court over 28 times in the past four years. He has used CPS, therapist coordination, emergency
19 protection orders, and now a parenting plan modification to repeatedly alienate me from our
20 children. His priorities are not in the children's best interest, and the pattern is clear: exclude,
21 discredit, and erase me.

22 **C. PETITIONER'S ABILITY TO PARENT**

23 Contrary to the Petitioner's allegations, I am not abusive towards our children. I love
24 them with my whole heart. I have been under extreme stress and pressure from the Petitioner's
mental and psychological abuse. Now, I am over 80 days without being able to hold my children

1 because of the Petitioner's false allegations. I do not go for a day without fighting to have my
2 children back in my life. I know my children miss me. I have attached a drawing that my
3 daughter Raina drew saying "I want to see my mom" as Exhibit D. Petitioner has used every
4 part of the system he can against me, the court, therapists, and friends. He made false
5 statements to anyone holding a position of authority in order to keep me oppressed and to keep
6 suffocating me with these lies. He is holding me below the surface, and this DVPO is him
7 smiling while watching me struggle for air.

8 **D: PROPOSED RELIEF:**

9 I respectfully ask the Court to terminate Petitioner's DVPO immediately. Additionally, I
10 request that the Court deny any further misuse of emergency processes and consider imposing
11 sanctions for continued litigation abuse and, to award make-up time with all three children to
12 restore my relationship with them after all this time.

13 Finally, I ask the Court to hear matter 25-2-11317-5 SEA in conjunction with this matter
14 regarding the same DVPO against my fiancé, Colin Derieg. Colin has been a father figure to my
15 three children. He has also been their primary care medical provider for years past. The children
16 need continuity of care which they have been lacking since being in the care of Petitioner.

17 **E. ATTORNEY'S FEES:**

18 I don't have the funds for litigation. Petitioner knows this. I have had to reach out to
19 my community for help. I cannot afford my attorney and ask the court to award temporary
20 attorney fees for this matter. I absolutely had to retain legal counsel because I have exhausted
21 all other efforts to see my children again. Petitioner continues to exclude me from my children's
22 lives. Without an award of attorney fees, I will be at a severe disadvantage. I ask the court for a
23 temporary award of attorney fees in the amount of \$20,000, which is what I had to pay for my
24 retainer.

F. CONCLUSION:

I respectfully request that the Court grant my request for the proposed relief. The permanent DVPO in this matter was denied, but the temporary DVPO remains in place until July 11th. I simply just want my kids back in my life. I also ask the Court to hear matter 25-2-11317-5 SEA in conjunction with this matter regarding the same DVPO against my fiancé, Colin Derieg. I am willing to jointly parent in the aspects of the Parenting Plan that the Court require, but I cannot continue to be constantly undermined by false allegations and court manipulation by the Petitioner. Petitioner's defamation has extended beyond the family court and destroyed my ability to provide for my children. I lost our RV and my seasonal farm employment because I was deemed a "liability" based on his false claims. This financial and emotional damage was completely preventable and rooted in his obsession with control, not truth. I respectfully request that the court terminate Petitioner's DVPO and award make-up time with all three children, including July 4th, uninterrupted 88 days total of make-up time to restore stability and repair the parent-child bond.

NARRATIVE

On April 4, 2025, I was dispatched at 1445 hours for a reported DV threats call at Carnation Elementary School, 4950 Told Ave.

RP-1 Matthew Ralidak and S-1 Veronika Goodnight are divorced. Ralidak and Goodnight have three children in common, V-1 Raina Goodnight-Ralidak [REDACTED] O-2 Elora Goodnight-Ralidak [REDACTED] O-3 Aidan Goodnight-Ralidak [REDACTED]

O-4 Colin Derieg and Goodnight are currently dating.

O-6 Monica Galarneau and Ralidak are currently married.

O-5 Michelle Frank is the current principal for Carnation Elementary.

Ralidak informed me of the following:

He currently has a tense relationship with Goodnight. They currently share their children 50/50 according to their parenting plan. Ralidak informed me that there is an open CPS case involving Goodnight, a man she is living with, and RGR. Ralidak stated that according to RGR, Goodnight was making her kiss this man. Ralidak did not have any other information about this CPS case.

While waiting, in his car, in line to pick up his children from school. At approximately 1358 hours Goodnight approached Ralidak's car and started yelling at him. Goodnight was accusing Ralidak of calling CPS on her. Goodnight continued yelling and asking Ralidak questions about the children and Goodnight's new living arrangements. At some point Ralidak noticed Derieg standing beside his car staring at him. Goodnight then went into the school office and back out toward Ralidak's car. During this time Ralidak had called into the school's office and told the principal, Frank, and another administrator about the odd behavior and scene Goodnight was making.

Frank then came outside to speak with Goodnight. At approximately 1412 hours Goodnight and Derieg got into a maroon Chevy Silverado and left the school parking lot. Ralidak clarified that no threats were ever made by Goodnight or Derieg. Ralidak stated he felt intimidated by Derieg standing outside his car staring at him. While sharing the details of this incident Ralidak seemed visibly shaken and needed to take breaks, while talking with me, to hold back tears. All three children were not present during this incident.

As I was leaving Ralidak showed me a text from Galarneau, who currently had all three children. Galarneau said that all three children had told her that Goodnight had slapped RGR and slammed her against a wall. Ralidak thought this might be retaliation because RGR had planned to tell Goodnight she no longer wanted to live with her.

Ralidak did not mention any marks or bruises on RGR when he had seen her at the school pickup. The text from Galarneau did not describe any injuries on RGR. Ralidak and Galarneau have all three children over the weekend.

Ralidak said he is worried for his children's safety and wasn't sure what to do. I gave Ralidak the case number and informed him that he should get in touch with a lawyer and ask about getting a protection order if he is feeling this way.

Frank had informed me of the following:

The office had received a call from Ralidak, so Frank and another administrator had gone outside to see what was going on. Frank spoke with Goodnight and told her "This isn't the place", in reference to not handling parenting issues on school grounds. Frank stated this is not the first time that Goodnight has caused a commotion or interrupted the children's learning process.

Frank then informed me that RGR had told her 1st grade teacher that her mother, Goodnight, had slapped her so hard she was thrown into the wall. Frank stated the teacher was in the process of reporting this incident to CPS.

I reviewed footage taken by Ralidak and the school security footage. The footage showed Goodnight approaching Ralidak's car. Then it looked like Goodnight had started yelling at Ralidak. It then showed Derieg standing a few feet away from the vehicle, staring inside. It did not appear that Derieg or Goodnight made any threatening gestures. Ralidak remained in his car during the entire incident. There was no audio to the footage.

I sent Ralidak an evidence.com link to upload the footage he has and a screenshot of texts about the slapping incident. Ralidak is also in the process of obtaining the school's security camera footage.

Body worn camera was activated and footage uploaded to evidence.com.

I determined there was no crime that occurred between Ralidak and Goodnight.

CPS has been forwarded the case.

NARRATIVE

My Axon body camera was active, and footage will be uploaded to Evidence.com. During this incident, there might be times where the camera was turned off and then back on (since the mute function has been disabled) for tactical reasons, long breaks in contact, or non-law enforcement discussions. The following is a synopsis of the events, details, and statements; made without review of the body-worn camera video. For exact verbiage of any witness, suspect/arrestee, or victim statements, please see video footage.

On 04/08/2025 at 1257 hours, I (1C1) was working as a King County Sheriff's Deputy in a fully marked patrol vehicle and uniform. I was dispatched to the Carnation Elementary School addressed at 4950 Tolt Ave, Carnation, WA 98014 for a follow up to this case. Dispatch details informed me the following:

RP WANTS TO GIVE SOME MORE INFO

I contacted Mathew W. Ralidak (DOB:06/12/1986) with my department cell phone, and he informed me that he had more information to add to the disturbance that occurred at the Elementary school (child pick up line) on 04/04. Ralidak said that upon reviewing the videos that he took of Colin M. Derieg (DOB:01/27/1971), he noticed that Derieg made a hand gesture at his waistline. Ralidak believes that this gesture is supposed to resemble a handgun to threaten Ralidak. Ralidak says he now feels more threatened and intimidated by Derieg. Although Derieg did not say anything or point this gesture at Ralidak, Ralidak believes that Derieg will continue to harass Ralidak but is unsure if these threats are viable.

Ralidak just wants this documented at this time. I advised/reminded Ralidak to petition for a protection order.

Nothing further.

Subject: Re: Request for Immediate Clarification Regarding False Statements and Impact on Custody

Dear Veronika,

Thank you for reaching out. I am very sorry to hear about the stressful events you have experienced related to the court proceedings. I have not made any formal statements or references regarding you as a parent.

When I received a request to provide information, I clearly communicated that, as a school employee, I must remain neutral and not offer any personal opinions or judgments. I have not submitted any documentation or made any statements attributing any behavior to you that would suggest disruptions to the learning environment.

I am happy to meet with you to discuss this matter further and ensure we maintain open and clear communication moving forward.

Please let me know if you would like to schedule a time to meet.

Sincerely,

Subject: Request for Immediate Clarification Regarding False Statements and Impact on Custody

Dear Principal Frank,

I am writing to request immediate clarification regarding a statement attributed to you and referenced in a recent court hearing. Specifically, it was stated that “this is not the first time that Goodnight has caused a commotion or interrupted the children’s learning process.”

This statement has directly contributed to the devastating outcome of my children being temporarily removed from my care, despite my role as their consistent, supportive, and actively involved parent.

To be clear:

- At no time prior to this court hearing have any concerns about my behavior, parenting, or school involvement ever been formally communicated to me by you or any member of your staff.
- I have volunteered consistently at the school and have maintained a positive rapport with teachers, staff, and administrators.
- Any reports made regarding my children were based on mandated reporting protocols following therapy sessions — and to date, all CPS/ DCYF reports have been closed without investigation or findings of abuse or neglect.
- The only disciplinary incident ever disclosed involved a single instance of spanking, which I proactively communicated to my child’s therapist. Therapy notes themselves also acknowledge a history of dishonesty from my child, which further complicates the reliability of statements made in therapy.

Given the serious harm that has resulted from your statement — and the lack of any documented prior concerns — I respectfully and urgently request:

1. A detailed explanation of the basis for your claim that I have previously “caused commotions” or “interrupted the learning process,” including any documentation or incident reports if they exist.
2. An explanation for why I was never notified of any alleged concerns prior to this court proceeding, despite my active presence at the school.
3. A formal acknowledgment, if no such documentation exists, that no prior disciplinary or behavioral issues regarding me were on record.

This situation is not only deeply damaging to me as a parent, but it also undermines trust in the school’s duty to act with fairness, integrity, and professionalism. I expect a written response within ten (10) business days.

Thank you for your attention to this matter.

Sincerely,

Veronika Goodnight

1. I am (*age*): _____ years old and I am the (*check one*): ☐ Petitioner ☐ Respondent
☒ Other (*relationship to the people in this case*): Friend of Veronika Goodnight
2. I declare: My name is Kaeley Wikstrom. I met Veronika Goodnight through a Yoga class
that she offered to our community. We later found out that our children went to
school together, and had been going to school together since preschool (they are
both now in first grade). Veronika has met my son several times through all the
volunteer work that she does at the children's school, Carnation Elementary. I was
present on the day in question, attending a ceremony where my kids, as well as
Veronika's, were receiving awards. I saw Veronika at the assembly, along with her
fiance, Colin, who I have seen for Chiropractic work before. Both of them were being
supportive of the children and cheering them on. I witnessed first hand that Colin
had no weapons on him, nor were him and Veronika violent or aggressive in any way
while present at the children's school. They showed nothing but respect, and pride

for the children. In the short time that I have known Veronika, she has shown what an incredible mother she is, as well as what an incredible member of our small community she is. My son has known her since preschool and has said that he has enjoyed his time spent with Veronika in the classroom when she volunteers. Veronika and Colin both are kind, respectful, outstanding members of the community and have nothing but the best interest of Veronika's children in mind. I can vouch that neither of them are violent, aggressive, or were carrying any weapons when at the assembly at Carnation Elementary.
